

40 Solent Circuit Norwest NSW

3  2  1 

Welcome to Norwest Quarter, a bold, mixed-use masterplan, a fresh start, and a ground-breaking model for neighbourhood living in nature.

Once complete, the masterplan will transform over 3.8 hectares of Greenfield land into a vibrant town centre for residents who want to live differently and make a difference every day.

Norwest Quarter's nine unique towers showcase cutting edge passive architectural design and ecological advances. Built in contrasting heights and shapes, they are well separated for privacy yet thoughtfully connected to the community and neighbourhood through scenic landscaping and impressive amenities.

* Stage One - two buildings, Banksia and Lacebark.

Price : From \$615,000 onwards
